

**The Twelve Things That Can Block the Body's Ability to Heal Itself**

1. Nerve impingement
2. Unforgiveness toward others
3. Demonization from trauma/ancestral sins/curses
4. Toxic chemicals (medications/pesticides/insecticides/herbicides)
5. Major allergies (food/environmental)
6. Heavy metals
7. Scars that block/disrupt energy flow through the body
8. Pathogens (viruses, bacteria, fungus, yeast, mold, parasites)
9. Surgical restructuring and removal of body parts
10. Breaking Biblical commands that withhold restoration (Exodus 15:26)
11. Inadequate nutrients for cellular communication/regeneration/replacement
12. Bio-electrical system discord (Electromagnetic interference/dys-regulation of meridian flow/Inability to regulate between sympathetic/parasympathetic nervous system)
